#### REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

In column 10, claim 8, between lines 41 and 42, as amended April 16, 2004, --direct a transfer-- was incorrectly changed to "direct transfer".

In column 12, claim 20, line 5, as amended April 16, 2004, --to said detecting and-- was incorrectly changed to "to said identifying and". Due to claim canceling and renumbering claim 20 in the issued patent was claim 22 during the prosecution of the application.

In column 12, claim 23, line 56, as amended April 16, 2004, --in said input-- was incorrectly changed to "in and input". Due to claim canceling and renumbering claim 23 in the issued patent was claim 25 during the prosecution of the application.

Attached is the Certificate of Correction, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if they are determined to be our errors, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,
